China Red War Entry "Lawless" M'Arthur Asks UN For New Directive

(Story on Korea fighting on Page 2)

By Peter Kalischer

TOKYO, Nov. 6.—(UPI)—Gen. Douglas MacArthur tossed the dynamite-laden problem of Communist China's intervention in the Korean war into the lap of the United Nations today and asked what they wanted him to do about it.

He asked, in effect, whether he should call China's hand and bomb Manchurian bases from which Chinese troops and supplies are flowing into North Korea.

The reply from Lake Success and Washington may prove a potent factor in determining whether World War III is at hand. China, the most populous nation in the world, has a 30-year military alliance with the Soviet Union.

The Chinese government said at Peking stepped up its anti-American propaganda campaign yesterday with a warning to the United States not to place too much faith in the atomic bomb because American cities could be hit with it too. China has neither long-range bombers nor the atomic bomb, but Russia has both.

MacArthur finally confirmed the presence of Chinese troops in Korea in a communique issued at 2 a.m. (3 p.m. Sunday Edmonton time) in his capacity as United Nations commander for Korea.

Nowhere in the communique did he mention China by name, but he left no doubt as to whom he meant in his references to "alien Communist forces."

NO WAR DECLARATION

He said these "alien" Communist had crossed China's Yalu River frontier into North Korea without a declaration of war at a time when the war was practically over with 335,000 North Korean troops killed, wounded or captured.

"In the face of this victory of United Nations arms," he said, "the Communists committed one of the most offensive acts of international lawlessness by moving... elements of alien Communist forces across the Yalu River into North Korea and massing a great concentration of troops and equipment."

He said the United Nations should take immediate steps to bring about a general armistice.

U.S. May Cancel

China Recognition

LONDON, Nov. 6.—(AP)—Qualified informants reported today Britain is thinking of dropping recognition of the Chinese Communist government.

Foreign secretary Ernest Bevin said to oppose such action is expected to make an important statement on Anglo-Chinese relations today or tomorrow in the House of Commons.

ALEXANDRIA, Va., Nov. 6.—(AP)—Three soldiers and a civilian were killed Saturday night when their private airplane crashed about three miles south of here.

This is Play Which Sent 14,900 Football Fans Into Frenzy

LAST QUARTER Edmonton touchdown pass was caught by Rolin Pratt (62) deep in Winnipeg Blue Bomber end zone and tied score at 16-16, after which Annie

Stukas kicked convert to give Eskimos one-game lead in Western Football Conference final. Pass defender Indian Jack Jacobs (27) is on ground after grappling

Eskimos Win Opening Game Of Western Football Finals

By Dick Bebbles

Whatta finish! Mushing with all the tenacity of northern huskies, Edmonton Eskimos pounded through the rain in the final quarter at Clarke Stadium Saturday night to snatch victory from Winnipeg Blue Bombers. Score was 17-16.

French Lose More Ground

SAIGON, Nov. 6.—(AP)—France's foothold in North Indo-China continued to shrink today as the French announced abandonment of the defense system in the foothills region on three sides of Hanoi, the northern capital.

It gave them a one-game lead in the best-of-three Western Football Conference final and left 13,003 paying fans—and a thousand more who entered over the fence—limp with excitement.

And it remained for 37-year-old coach, Annie Stukas, to kick the winning point after Ed's Rolin Pratt's touchdown had snatched the score at 16-16.

THROATY ROAR He did it with three minutes and 30 seconds remaining in the game. When his convert split the goalposts the passing tension gripping those nervous thousands erupted into the throaty roar ever heard on Edmonton's athletic field.

He quessed by now that Eskimos won in stirring fashion. And you are right. For with less than four minutes to play they were in arrears 16-11 to a troublesome Bomber club.

At this time on third down, Winnipeg's Indian Jack Jacobs punted into the wind from his own 18-yard line. Harry Hobbs received the ball on the Bomber 45 and was instantly tackled by hard-hitting Joe Aguire.

SENSATIONAL PASS The Bombers were assessed a 15-yard penalty for that "no yards" incursion, and Edmonton scrambled the ball from the 30. On the first play Hobbs ripped off four yards over right tackle.

Then quarterback Lindy Berry took a run and seemed to be trapped by a maze of Bomber blockers. But he dashed to his right before being grounded, and passed to the lanky Pratt, who was parked behind the Winnipeg line.

Pratt clasped the ball to his bosom after first engaging in some sidetracking jostling with Jacobs. That tied the score 16-16.

Weatherman Gloating Over Game Conditions

The weatherman is claiming an assist for Saturday night's football triumph.

He predicted with uncanny accuracy, the wind and rain arrived just in time to boost the Eskimo fighters for their victory touchdown.

As the weatherman modestly points out, the 35-mile-an-hour wind prevented Indian Jack Jacobs from kicking the points which could have tied up or won the game.

Plane Wrecked With 48 Aboard Sighted In Alps

GENEVA, Switzerland, Nov. 6.—(AP)—Swiss fliers located the wreckage of a missing air Indian Constellation near the top of Mont Blanc, in the Alps, yesterday and air-line officials said they believe all the 48 persons aboard are dead.

The plane, en route from Bombay to London, carrying 48 Royal Indian Air Force personnel, was last seen in England, had been missing since Friday. All the crew of eight were Indians, except the pilot, Capt. Alan Saint, a Briton.

He did it with three minutes and 30 seconds remaining in the game. When his convert split the goalposts the passing tension gripping those nervous thousands erupted into the throaty roar ever heard on Edmonton's athletic field.

He quessed by now that Eskimos won in stirring fashion. And you are right. For with less than four minutes to play they were in arrears 16-11 to a troublesome Bomber club.

Edmonton Pilot Flies Jet Plane Before Shinwell

MONTREAL, Nov. 6.—(CP)—British Defence Minister Emmanuel Shinwell and Canada's Defence Minister Cliney today witnessed a display of speed by two Canadian jet fighters at Downsview airport here.

The F-86 Sabre jet and the CF-100 Canuck went through manoeuvring and speed demonstrations.

The Sabre flew over the airfield at more than 700 miles an hour. Pilot John Campbell was Bruce Warren of Edmonton, a test pilot.

9 War Criminals To Be Paroled

TOKYO, Nov. 6.—(AP)—Gen. MacArthur's headquarters today said that nine more Japanese war criminals will be paroled from Sugamo prison Nov. 15. This will bring to 127 the total of convicted war criminals released since the war.

The F-86 Sabre jet and the CF-100 Canuck went through manoeuvring and speed demonstrations.

Council Moves to Build Renfrew Grandstand

Edmonton's new city council lost no time Saturday in moving to have a new grandstand built at Renfrew Baseball Park.

In their inaugural meeting, aldermen agreed in principle to commissioners drawing up a new lease with John Ducey, to replace the present 10-year one which has another nine years to run.

Proposed new lease would enable Mr. Ducey to finance construction of a new concrete stand to replace the one destroyed by fire some months ago. Terms suggested result from two days of discussion between commissioners and Mr. Ducey, following defeat at the polls last Wednesday of a money bill authorizing borrowing of \$50,000 for first unit of a new grandstand setup.

GENERAL TERMS General terms to which council agreed are:

1.—Lease to run 10 years.

2.—Rental of \$1 per year be charged for first five years.

3.—All revenues received, apart from amount to be agreed upon as salaries to lessees, to be spent in improvements to grounds and to pay interest and principal on borrowings for new grandstand or other improvements.

4.—For second five years, usual 10 per cent of all proceeds be credited to city as rental, but to be immediately plowed back to further improvements to grounds.

"Under such a lease, it will be quite possible for lessees to borrow enough money to carry out immediate improvements," said a commissioners' report. It was substantiated by written proposals from Mr. Ducey.

Council agreed that the \$10,000 insurance money from the burned stand be turned over to Mr. Ducey toward a new grandstand.

Commissioner John Hodgson pointed out to council that the city owns the land, and "gets all improvements."

Aldermen also agreed to cut annual repayments by Mr. Ducey was organized in an attempt to boost the total.

Rickey Joins Pittsburgh

PITTSBURGH, Nov. 6.—(AP)—Branch Rickey today became the vice-president and general manager of the Pittsburgh Pirates of the National League.

Rickey, former general manager and president of Brooklyn Dodgers, confirmed at a press conference long-standing rumors that he is to be associated with the floundering last-place Pirates.

Rickey said he has signed a five-year contract for a salary he declined to disclose. His pact with the Pirates will allow him to extend the contract for an additional five years.

Prices of Stocks Drop Sharply As War Reaction

By The Canadian Press

Stock prices dropped sharply on leading world and Canadian exchanges today, apparently in reaction to the latest Korean developments.

News of Chinese Communist intervention in Korea was said to have started the general selling wave.

The New York Exchange was the hardest hit. Prices there sagged to more than 54 a share in extremely heavy trading.

Toronto and Montreal exchanges lost almost as much as New York.

FREEZE 'EM OUT! Eskimos PULLIN' CALGARY'S FOR YA

CALGARY FOOTERS got big hand from Edmonton at Saturday football triumph when they turned up in strength to support arch-rival Eskimos. Cowpokes came north in a cavalcade led by flashy convertible suitably decorated with slogans, streamers, and pretty

girls. At half time they paraded on field, complete with 10-gallon hats, banners, cap guns, and hobby horses. Edmonton fans did not join in half-time hoedown but thunderous applause indicated approval of southerners display of showmanship and sportsmanship.

Police Warn Drive Against Teen Gangs To Be Spurred

Police have served notice on teen age mobs in the city that the current drive to break up the gangs will be intensified.

The warning was issued Saturday when an 18-year-old youth, Alfred Edward Neeks, 1020-95 street, was sentenced to 30 days in Fort Saskatchewan for disturbing the peace.

Assistant crown prosecutor Guy Beaudry told Magistrate S. G. Main "the persistent activities of these gangs in causing fights, drinking and breaking up teen age dances must be stopped."

PLEADS GUILTY
Neeks pleaded guilty to fighting in the McCauley Community Hall Nov. 3.

Constable Jack McIntyre, who arrested Neeks, was forced to close the hall following the disturbance and sent 300 teen agers home.

Chief Constable Reg Jennings stated that the police drive is being stepped up. "Two or three of these young fellows have been arrested and fined and we're not slowing down in our campaign to break up the mobs."

Beaudry stated that because of fights caused by "three or four gangs who roam the city breaking up teen age dances, many of these dancehalls have had to be shut down."

"If it gets any worse, we may have to close down others," he stated.

Neeks had previously been fined \$15 and costs for assaulting a police officer at Clarke Stadium.

Two Escape Death In Plane Crash

Crash Into High Tension Wires On Practice Flight

Two youths narrowly escaped death Saturday afternoon when the plane in which they were flying crashed into high tension wires six miles southwest of Edmonton.

The young fliers, Ralph "Buck" 10414-135 street and James A. Forster, 1038-86 avenue, were on a practice flight in an Associated Airways Taylorcraft monoplane when the accident occurred.

The plane, taken to the Miesler-Hospital, where they were treated for cuts and bruises and later released.

After following telephone wires, a pole and Calgary Power lines carrying 6,000 volts, the pair walked away from the buckled aircraft.

ENGINE FAILED
"We were cruising around at 4,000 feet," said Huff, who was piloting the small plane, then throttled back and came down to 1,000 feet. When I tried to get more power, there was no response from the engine."

Associated Airways officials "stated that the power failure was probably caused by the engine cooling in descent or ice forming on the carburetor."

Murphy Bataille, only eye-witness to the crash, was working in the field just off the Woodhead road and saw the plane approaching from about 400 yds. away.

"I looked as though he was going to land in the field on the west. Instead of the plane, I saw the plane hit the wires, turned upside down and crashed just over the ditch."

"As I rushed to the plane, I was amazed to see the boys walking towards me. They were really lucky."

"One of them remarked he thought the plane would catch fire, because they had a large supply of gas but nothing happened."

"Then I drove them to the hospital for a check-up, but they were not seriously hurt."

Far Northern Radio Centre On Exhibition

About 100 Edmontonians were escorted through the Canadian Army North West Territories and Yukon Radio Signals System headquarters Saturday as the signal day was observed across the Dominion.

Those visiting the transmitter, six miles west of Edmonton, and the receiver at Calder, were given the opportunity of seeing the centre of communications to the north country in action.

Guests were escorted through the mass of equipment in two and three and explanations were given on each operation.

CARRIES CBT
The NWT and YT is the only area of contact between residential districts in the north and the Arctic weather stations. They also keep in touch with supply ships sailing in northern waters.

One of the important operations of the station for the average person in Canada's north country is the complete CBC schedule carried to their radios through NWT and YT.

Estate Robber Gets Big Haul
LONDON, Nov. 6.—(AP)—Jewelry valued at £200,000 (£180,000) was stolen Saturday night from the home of the Duke of Sutherland at Guildford, about 35 miles from London.

Police said the thieves had used a ladder to enter a cottage on the Duke's Sutton Park estate, and made off with the haul, which included family heirlooms.

Open House
Crossroads Camera Club will hold an open house at Edmonton College, 9445-100 street, on Wednesday, Nov. 8 at 8 p.m.

BEE ALSO GETS 'STUNG'

ATLANTA, Ga., Nov. 6.—(AP)—The bee probably wanted a lick at James Edward Daniel's all-day sucker, but it missed, and the 11-year-old boy got stung on the tongue. It hurt so much James had to go to hospital for treatment.

Payroll Plan Bond Sales Ahead of 1949

Edmonton payroll plan sales of fifth series Cans. Savings remained ahead of the 1949 sales for the past week.

A total of 6,731 applications for \$1,900,000 have now been received in this area according to R. J. Duggan, payroll organizer for Edmonton.

Figures a year ago at this time were 6,300 applications, for a total of \$1,500,000.

The organizer added that bond headquarters expect the Edmonton payroll sales to be completed by next Friday.

Civil Servants Seeking Changes

Convening CSA Members Ask For Five-Day, 40-Hour Week

RED DEER, Nov. 6.—(BUP)—The 30th annual convention of the Civil Service Association of Alberta asked the provincial government Saturday to bring them under the five-day, 40-hour week.

Delegates endorsed an Edmonton resolution to this effect, then quickly passed another urging that employees of provincial institutions also be included.

The civil servants now work a six-day, 48-hour week. They want to work slightly longer on week days and get Saturday morning off.

In addition to the work resolution, the association asked for an annual review by the Civil Service Commission of all salary and wage schedules to guarantee the pay of civil servants is in line with the going rate elsewhere.

GREAT FUTURE

Seventy-seven delegates representing 3,000 civil servants also heard Education Minister Ivan Casey say that the province was "on the threshold of a great future."

The convention continues today. Following the first session, Education Minister Casey denied he was "trying to undermine the faith of Alberta teachers in their provincial association."

E. T. Wiggins, an executive of the Alberta Teachers' Association, voiced the claim in Calgary Friday.

Casey said in an interview that his previous criticism of the teacher executives was justified. He said these officials criticized the department of education and claimed to represent "laundry lists" of teachers when actually they are speaking for only a few.

Narcotics Ring Broken In U.S.

NEW YORK, Nov. 6.—(AP)—The rounding up during the weekend of 10 members of an international narcotics ring who allegedly did a \$100,000 business in marijuana and heroin during the last four months, was announced here last night by U.S. attorney Irving H. Saypol.

He said that drugs handled by the ring had been imported from Europe and Mexico and had been distributed all over the country.

Honor Gustaf

OTTAWA, Nov. 6.—(CP)—The Canadian Navy will honor the memory of King Gustaf of Sweden on Nov. 6, the day of his funeral, it was announced today. Colors will be put at half-mast and a Swedish ensign of national flag will be flown in ships and shore establishments.

Mountain Climber Killed in Mexico

MEXICO CITY, Nov. 6.—(AP)—Rescue brigades Saturday found one man dead and two others injured among a group of 10 mountain climbers who were lost on 17,400-foot Interoceanic.

The two injured were brought to the foot of the mountain, 40 miles from Mexico City.

Fortune Found In Man's Shoes

TORONTO, Nov. 6.—(CP)—Twenty \$100 bills were found Saturday night in the shoes of an aged Chinese who was struck and killed by a streetcar. The Chinese, Mark Jun, 72, also had \$1,700 in his room, police said. The money will be turned over to the public trustee pending a search for a relative.

Cayuga Men Give Up Food

OTTAWA, Nov. 6.—(BUP)—Canada's fighting navy has a heart as well as a sting, an RCMP publication reported today.

The crew of the destroyer Cayuga, one of three similar Canadian ships operating under United Nations orders off Korea, voluntarily rationed themselves so near-starving Korean civilians could eat.

Crownston, the navy's monthly publication disclosed the incident, "while on patrol in the Inchon area, the Cayuga discovered several villages whose food stocks were dangerously low," the Crownston said.

"The destroyer immediately landed all spare food on board, but her men considered they could do more. A special meeting of the Welfare Committee unanimously voted to cut the crew's rations to increase the supplies put ashore."

Pardon the effrontery of a brass case, popping out at a few comments after watching his first western football game of the season.

Since we have been hired to express profound opinions, we will say, without any equivocation, that we thought Edmonton Eskimos were lucky to win the first game of the western Canada playoffs.

To modify any sensitive paragraphs when we may offend the ensuing paragraphs, we will either Winnipeg Blue Bombers or the Grey Cup that we think Edmonton Eskimos capable of winning the Grey Cup at Toronto on Saturday, November 13.

The Eskimos were good and extraordinarily lucky on Saturday night. They gambled recklessly and 90 percent of their gambles were successful.

In addition, they benefited from a couple of official decisions which were no better than the strange decisions that can be expected in a Grey Cup final. To top it all, Edmonton benefited from a completely inexplicable "call" of the Winnipeg quarterback, Jack Jacobs.

We refer to Jacobs' momentary lapse when he was leading, in the first quarter, in the fourth quarter. He ordered a field-goal attempt and then was awarded 10 yards for wasting too much time in a huddle.

Instead of booting for a single point, which would have assured him no worse than a tie, he ordered Aguirre to try the field goal. From our comfortable seats as spectators of the press-box, it appeared that Jacobs stubbornly was flouting the authority of the officials.

Perhaps, though, you would expect an eastern coach to attempt to make a comparison of the games which are played in the rival sections of the country.

We expect that Winnipeg or Edmonton will win in Toronto on November 15 if they play the same type of football which they demonstrated on Saturday night.

We expect this for the reason that the two teams generated more creative, wild-eyed offensive power than has been shown us by any team in the country.

For one thing, your western teams show more mobility than we have witnessed in eastern Canada since the days that Ray Newman forgot about the Argonaut end-run and remembered that he was born in Syracuse, New York.

First half of Saturday's contest was played in slightly less time than we require for a single quarter in eastern Canada.

When Lindy Barker started from behind his own goal-line in the first-period and went for a touchdown in eight plays, we were having as much trouble scribbling our notes that we never had an opportunity to identify the blockers.

Argonaut play that kind of football, too, but Al Dekkers doesn't pass as well as Berry and he can't run as well as Berry. Dekkers' employs the same daring play as Berry in which he fakes and then runs down the goal—but he is more orthodox in that he employs that same play in mid-field or enemy territory.

If you want an honest opinion, we thought Winnipeg had the better team on Saturday night. We say this with a sole because Angus MacBride, coach of the Eskimos, is one of our old friends in the newspaper business. We thought that we could show you it.

JACOBS VS. SCOTT AFTERMATH

'Peg's 'Indian Jack' Jacobs

No Match for Big Prather

By Charles MacFarlane

If and when Big Rollin Prather decides to give up football, we would like to see him find a spot with wrestling promoter Al Oemka's troupe.

Prather tossed 'Indian' Jack Jacobs to the ground before latching onto that game-winning rushing pass of Lindy Barker's was something to see.

Big Rollin just threw a quick series of hammerblows and whollop at the Winnipeg quarterback and he was well out of that play.

Jacobs must really have been sore at all of Edmonton after that play. When the Bulletin's photographer Dann Scott visited the Blue Bomber dressing room after the game, Jacobs tried to take his mad out on him.

The big ex-Grey-Bay Packer came after Scott with raised fist and little Danny decided discretion was the better part of valor and headed for the more amiable surroundings of the Esk's dressing room.

The delegation from Calgary certainly made our Edmonton staff take a back seat when it came to cheering the Eskos to victory.

The cowgirls and cowboys from the foothills went off in their support of the locals.

CHEERING lustily as Mike King crashed over Bomber line for first Eskimo touchdown in the opening quarter are members of Knuthole gang. More than 1000 Knutholes added to din as mounting Eskimo offensive finally rubbed out vaunted Winnipeg Blue Bombers 17-16.

BCC Ace Bats .833

The Brain, that famous football forecaster who is employed by the Bulletin's Casual Choices, Inc., scored a few tough touchdowns at the weekend.

For in six selections made by the BCC, that gives him an .833 batting average for the week.

The BCC expert's record for the week is not quite that illustrious. He is hanging along at a .683 clip, having been correct in his calls 36 out of 53 times.

Bentley Paces NHL Scorers

TORONTO, Nov. 6.—(CP)—Toronto's Max Bentley picked up two points during the weekend to take among the National Hockey League's point-getters, one point ahead of Maurice Richard of Montreal with whom he was previously tied.

Richard picked up one point to bring his season total to 13 points in nine goals, tops in the league. Fern Flaman of Boston continues to hold the lead in assists with 10.

Bentley, Toronto, 10 goals, 13 points; Richard, Montreal, 10 goals, 13 points; Flaman, Boston, 10 assists, 10 points; Gagne, Toronto, 8 goals, 8 points; Gagne, Toronto, 8 goals, 8 points.

Stukus, who had missed five converts in 27 shots, rubbed salt in action that, and he didn't miss.

Wearing a wrist watch but no pads of any description, the Leaguesman Lineman used the ball and shut his eyes. He didn't need to open them to find out that his conversion was successful.

The oval he received from 5000 fans, fanatic was answer enough.

At the final gun Eskimos were jabbering in mid-field, Earl Valtiquette having recovered a Winnipeg fumble to thwart a last-ditch Bomber rally.

Winners Six Hundred

Monday nightingale, who was the locally prominent baseball man who chucked in five hundred dollars on the Esks at 6-5 and came away from Clarke Stadium winners six hundred?

Berry to Bailey, the Bombers were watching. So Berry to Prather the touchdown was nothing.

Item: Esks fullback Mike King had a night of ups and downs, as nearly everyone in the stadium could see; he bulled over for the first Edmonton TD, later played the way for a Winnipeg major by fumbling at a critical moment.

But what few of the boo birds realized was that the bulky King threw the big block that cleared the way for Bob Paffrath to amble over the Bomber line for the second Eskimo lead.

The last Bomber to bar Paffrath's run to payoff territory was picking himself up for 20 minutes after King got through with him.

Item: Jim Coleman, nationally known columnist whose impressions of the Saturday thriller are carried elsewhere in these pages, thinks "Indian Jack" Jacobs "will outkick anything in the east."

Could be, though, that the irascible, camera-shy Jacobs won't get a chance to prove or disprove the Coleman contention, at least not this season. Eskimos are strictly in this series, after that nervy run through the stretch to victory Sunday.

Item: Bomber coach "Butch" Larson failed to come up with a single all after the game. "Decisions of officials, whether good or bad, are part of the game," he insisted.

As for the two week layoff his club had come off, he thought "the boys did us a lot of good, we were not crooked up." He unbuttoned his commendable better-cluck-won't long enough to suggest that Bombers had missed Buddy Tinsley, their fine tackle.

"Definitely Jacobs will be back for the next game," the only Grade 'A' All-American ever to come to Clarke Stadium promised, or threatened, it was hard to tell which.

Items: Bombers just don't like that fourth and last quarter, it seems. Neither do they stand up to the pressure too, as witness the many boos, mental and physical, they pulled as Esks started to get to them toward the finish. . . . Quite a number in the stands thought Bob Paffrath, the "Boy Bulldog" of the Esk. camp, rather than Kansan Rollin Prather had caught Lindy Berry's winning touchdown heave.

Psychology-at-work item: Mike King received a great tribute from his teammates after the ball game, whereupon he broke down and cried "like a baby," as someone put it.

Mike was feeling pretty lousy after fumbling to give Bombers' Tom Casey a breakaway from the Edmonton 35 for the second "P" TD. But when he entered the dressing room coach Annis Stukus cried "who's the best fullback in the Western Conference?"

And the Eskimo to a man shouted "Mike King." Item: Bombers' abortive attempt to pull a sleeper play in the dying moments caused considerable unrest in the stands, especially on the east side. . . . Slight of Bud Korshak, stretched out on the ground, like a small boy playing games, added a comic note to Bombers' belated rush after Esks had gone ahead.

Fortunately for the Eskimo cause—perhaps—quarterback Jacobs seemingly wasn't in on the plot. When the ball was snapped he ran to the other side of the field, away from Korshak, and obligingly fumbled to transfer possession to the locals.

Item: Bombers would be a lot rougher if they could go at top speed for 60 minutes. For instance two Jacobs' passes picked up 27 yards—boom, boom—just like that, following Prather's winning touchdown. But by this time the joint had been eased.

Esk. "manner Al Anderson 'jumped' the officials just as the first half ended and was shoofed from the field, but quick, for his troubles.

Eskimos' first TD—on which they marched the length of the field in six plays—must have made the team's two-man coaching staff of Annis Stukus and Don Durno feel good all over.

Quarterback Berry threw everything but Joe Shostor at the Bombers in that wild, mad dash.

Vancouver Bombers Sideline Mustangs

CALGARY, Nov. 6.—(CP)—Calgary Mustangs' hopes of a Canadian junior football championship came to an abrupt end Saturday.

Going into the game with a 20-point lead, Vancouver's powerful Blue Bombers made it official at Mewata Stadium by edging Mustangs 28-12 to move into the western Canada junior football final.

Bombers won the first game of the home-and-home series 35-6 a week previously in Vancouver. Game, watched by some 4,000 persons, was for the most part a dull business affair.

Two first quarter touchdowns by Rob Holburn and Bob Reid—each with two converts by Reid and Tom Smith had Bombers out in front 12-0 when the teams changed ends.

Reid went over for another touchdown early in the second quarter, and after that Vancouver elected to coast home.

Mustangs, however, were far from being out of the ball game. Fullback Fred Firsiroti went for

Detroit Dumps Bruins 4-2 To Gain 2nd Place in NHL

TORONTO, Nov. 6.—(CP)—Detroit Red Wings took over second place in the National Hockey League by trimming the hapless Boston Bruins 4-2 in a rough-and-tumble game in Detroit last night.

In the only other Sunday night fixture, Chicago Black Hawks' downed New York Rangers 3-1 in a penalty-filled contest in Chicago Stadium.

Gordie Howe and Metro Prater, top NHL champion Red Wings out in front 2-0 in the first 10 minutes of the first period as they gave Boston's rookie goalie Jack Gelineau a rough time.

Gave Stewart made it 3-0 early in the second period before Dave Creighton put the Bruins back into the game with the first of his two goals for the night.

Gerry Couture accounted for the fourth Detroit goal. Black Hawks shoved in two goals in the final and held Rangers' scorers until less than two minutes to play.

ALSO TOUGH CURLER

Leo Johnson Standout Golfer

By Bert Greer (Winnipeg Free Press)

WINNIPEG, Nov. 6.—Few sportsmen are endowed with the faculty of having finesse in two sports.

Winnipeg's Leo Johnson, who along with Fred Smith, Korne Wakefield and Al Wallace walked off with shiny new automobiles after the ACT, is one of the fortunate types.

Johnson, the former MacDonald Brier curling champion, is also a top-notch golfer. Leo can hold his own on the links with practically anyone in Manitoba.

He invariably places the blame for the Southwood course and matches shots with such standard performance as Allan Boes and Mike Pidlaski.

It isn't easy to make an inter-club golf team in Winnipeg, but Leo has graced the Southwood team on several occasions.

Color and good sportsmanship also go hand in hand with Johnson. He invariably places the blame for defeat on himself, not his opponent's good fortune or the breaks.

Tough curling competition is up to Johnson's alley, for he comes from the class of champions—strutless rink.

Other former Dominion champs who have played at his home club are Jimmy Wells, Howard Wood, Ken Watson, and Al Greenleaf, now of Dauphin.

Johnson won the Canadian Dominion in 1934; the Manitoba grand aggregate in 1935 and was tied for the grand aggregate in 1941 with Gordon Hudson and Bob Gouvier. He represented Manitoba in the Brier again in 1946. He has always been in the prize list in the greatest bonspiel in the world.

Fred Smith, who played third in the car 'spiel, is also an outstanding rock-thrower. He played third for Jimmy Wells for years. Lorne Wakefield represented Manitoba in the Brier as his brother Al's team.

Al Wallace is also regarded as a good steady curler. He is in a division at the Stratcona rink which is an accomplishment in itself.

Grover Cleveland Alexander Victim of Heart Disease

ST. PAUL, Minn., Nov. 6.—(AP)—Grover Cleveland Alexander, a fabulous major league pitcher in his day, died Saturday of a heart ailment.

Death came to the 63-year-old baseball immortal in the rest room at the St. Louis Cardinals' hotel where he was staying on a \$150-a-month baseball pension.

Alexander had been in ill health in recent years. He had lost an ear to cancer.

In 1928 he was voted into baseball's Hall of Fame at Cooperstown, N.Y. He had earned it with an assurance of records checked up in a career that extended from 1911 to 1930.

Old Pete started in the majors with Philadelphia, winning 26 games in his freshman year.

After seven brilliant years with Philadelphia he was sold to Chicago Cubs. In 1936, when he appeared to be losing some of his top-notch curve and perfect control, he was sent to St. Louis Cardinals on waivers but prospered to confound the doers with another great season.

Alexander won 373 of the 696 games he pitched for the Philadelphia Cubs and Cards. This tied him with Christy Mathewson as

Johnson's Winnipeg Rink Wins ACT Carspiel Honors

There is poetic justice in that, after all, and poetic justice triumphed yesterday as Leo Johnson from Winnipeg won the lion's share of the booty in the Associated Canadian Travelers' car bonspiel.

Johnson, a handsome greyling man, who worked himself up from office boy to president of a large insurance company, won the deciding game in three from Frenchy D'Amour of trail for the cars.

It was the halting D'Amour who whipped Johnson in play for the ACT score a year ago.

The final score in the last game was 9-4. Johnson grabbing two points on the last end to win, leading 8-7. Johnson's home D'Amour was lying shot to the left of the house when he fired his first rock.

The Trail crew drew to the right with that one. Johnson then drew to the face of D'Amour's alone on the left to his shot. D'Amour missed the take-out by six inches and Johnson came to the four-foot wish his last shot to win.

Johnson only made 42 per cent of his shots, only his rink-mates delivered in stirring fashion. His lead, Al Wallace, ended with 70 per cent, while the second, Korne Wakefield, was a 75 per cent, and third, Fred Smith, a 70 per cent.

MADE 7 PER CENT D'Amour made 71 per cent of his shots, as did his partners—Fred Tingling, Fred Wendell and Johnny Cameron.

The Trail foursome won the first game Saturday morning, but Johnson returned to victory Saturday afternoon. Yesterday's tie-buster was played before 3,000 D'Amour fans at the Edmonton Curling Club.

In the ACT event, Bill Gray of the Granite delivered the final to Ole Olson from the hog's.

Southern Methodist Loses To Texas in Bitter Battle

NEW YORK, Nov. 6.—(AP)—Texas smashed down top-ranking Southern Methodist and Army stretched its streak of invincibility to 26 games Saturday in the two "big" games on the U.S. college grid front.

One-hundred Texas shattered SMU's dream of a National championship, 28-20, in a savagely-played game at Austin. It was Mustangs' first loss.

Victory made the Longhorns a favorite for Southwest Conference honors and the best in Dallas' Cotton Bowl game New Year's Day.

They have lost only to Oklahoma, 14-13.

ARMY MILES 28-13

Army, No. 2 in the AP ranking, kept its title hopes alive with a 28-13 triumph over powerful Pennsy. Varsity at Philadelphia.

The post-season Bowl picture also began to jell in games across the country.

California, unbeaten and united, handled a big obstacle in its March 7 to a third straight Rose Bowl bid by humbling Washington 14-7 at Seattle.

Illinois became a solid favorite for the Big Ten Rose Bowl Assignment by upending Michigan 7-0 in a snowstorm at Ann Arbor, Mich.

SENIORS TRIUMPH

Oklahoma Sooners moved nearer an almost certain lucrative post-season assignment by subduing

GRIMM BOWS OUT AS DALLAS LEADER

DALLAS, Nov. 6.—(AP)—Charlie Grimm quit Saturday as manager of Dallas Eagles of the Texas baseball league.

The former major league manager had two more years to serve under the three-year contract—at \$30,000 a year—with R. W. (Dick) Burnett, wealthy Hollywood, Tex., oil man who owns the Eagles.

The announcement did not say how much the former Chicago Cub manager was paid in severing relations. The Dallas News quoted a "reliable informant" that it was close to \$25,000.

Police Hold Victim's Husband

MONTREAL, Nov. 6.—(CP)—Ellie Lawand, 26, was being held for questioning by police after his wife, Betty, 24, claimed he pushed her from their second-story balcony Saturday.

Police said Mrs. Lawand told them her husband had tried to kill her following an argument over money. The wife is in critical condition in hospital with a spinal fracture.

on the TOWN...

By Jack DeLong

Eskelsior!

Here's the only story I know today:

Tell me stranger were you there
When Berry's pass whizzed through the air
To get that badly-needed touch
For which massed thousands yelled so much—Berry.

And likewise stranger did you too
See Prather's hands so sure and true
Grasp firm the ball and toss it down
And prove to Bombers he's no clown—Prather.

And oh good stranger were you there
Till old coach Stukas made the kick
For that big point which won the game
And left the Bombers limp and lame—Stukas.

And stranger were you one to sing
Praise to mighty Michael King
As Michael rained his noble crown
Through Bombers' line for one touchdown—Michael.

And did you stranger whoop with glee
As Paffrath naved for all to see
'Cross Bombers' line to score a try
And lift our hopes up to the sky—Paffrath.

So now good stranger here's my hand
On Eskimos, a noble band
Let's lift the flag on for a nap
And hope we grab that old Grey Cup—Eskimos.

The band played the national anthems of Canada and the United States before the game started. Why didn't they play the Calgary national anthem? Calgary sure deserved it.

Elegant Elsie wanted to know why Mayor Parsons made a big speech on the Four Freedoms at the big game. Elsie says she thinks speeches should be ruled offside at a rugby game.

Let's be fair. Winnipeg played a great game. They'll be awful tough down there in the Osborne box next Saturday.

Columnist Jimmy Coleman, who used to work for the Bulletin, was introduced to the crowd. I ought to sue Coleman. He revived my nickname of Toby after it had lain dormant for 18 years.

That Indian Jack Jacobs sure can boot a football. If he had been kicking with that Regina wind, all the footballs in town would be in the Saskatchewan river.

A triumphant goodnight to all and especially to the 15,000 people who helped us win that old ball game.

Communist Tito Faces Capitalistic Headaches

BELGRADE, Nov. 6.—(AP)—Despite stiff Communist controls, Premier Tito's government in Yugoslavia has the same industrial headaches suffered in some of the so-called "capitalistic" countries.

Government production officials complain particularly of worker absenteeism, manpower shortages and housing difficulties.

The chief shortcomings have been found in the areas where Yugoslavia has been attempting to develop an iron and steel industry.

Both in non-ferrous metals such as copper, the country has been woefully short in iron and steel production.

This is a deficiency which Yugoslavia is woefully aware—even to the point of employing outside technicians from the United States and elsewhere in order to get steel pouring more quickly and rolling mills a-rolling.

But Yugoslavia hasn't found it easy to realize production goals, even with the help of thousands of prisoners—political and otherwise—who have been put to work on state projects in an alleged "re-education" program.

FACTS REVEALING
The newspaper Borba—voice of Tito's government—pointed up the problem with some illuminating statistics. It reported that in January of this year, the "black metal" mines got only 61.2 per cent of the expected quota of new workers. In September, fulfillment of the mine's quota dropped to 34.4 per cent of the plan.

Even the reduced number of new workers would have helped stiffen the ore output targets, Borba commented, if they had all stayed on the job. But "in fact, more workers left their jobs than the number of newly-reported workers."

The newspaper, obviously with official approval, blamed mining management for poor housing, bad food, late ration cards, delayed payments of wages and weak "working discipline."

Chop Board Problem Solved by Shellac

By Bea Thrifty

Major problem of many a homemaker is an "oniony" chop board.

This may sound like a trifling thing . . . but everyone knows how the merest bit of onion juice will remain to haunt the place like a most-popular family ghost.

Answer to said problem is to give your bread and vegetable boards a thin coating of shellac . . . when they're new . . . or at least once dry and free from reminders of previous salads.

This prevents discoloration . . . and makes a sterling job of warding off liquids which will seep into the wood fibres . . . and remain.

This all came to light when I was presented with a fine and fancy pig-shaped bread board from a neighbor aged 15 years.

Twelve year old neighbour and I have a fine working arrangement.

I play him with kind words, cookies and answers to his homework problems. He thanks me prettily with products of his weekly manual training class efforts and the pig bread-board is the latest.

While I'm thinking of the shellac protection coat . . . let me brag about another gem of information I've picked up in passing these years.

It's about kitchen salt-shakers . . . and tops that sooner or later get rusty.

Well mine don't . . . and here's why:

A painting of clear nail enamel on the inside of salt shaker top will prevent its rusting.

After coating the top, and allowing it to dry, open the clogged holes with a sharp needle.

Sounds mighty crazy and I think it is!

But it's not one whit as crazy as a bit of croch-leverness in these months preceding the merry Yuletide.

Land o' Goshen . . . you can whomp together individual little medallions in a sitting . . . and when you have enough, join them for place mats, runners, cake-plate doilies, doilies, towels, trays, doilies . . . and numerous other pretties. Don't waste your time . . . be Christmas-crazy!

Fashion's fancies and furbelows have kept us gals lengthening our skirts, shortening our skirts, slimming our hips, padding our hips and numerous other pro and con figure finaglings.

But this plunging neckline business has gone too far . . . as a matter of fact, with more than a few French designers it's gone as far as the midriff . . . and that's a whole lot of a plunge for something that started out as a neckline.

It's called the "Killing Look" and I just happen to know a couple of thousand wives who WOULD be "killed" if their husbands caught them even thinking of the costume idea.

Huzzah for the turtle-neck sweater!

YOUR BABY AND MINE

Don't Punish Child For All Mistakes

By Myrtle Meyer Eldred

It is no news to parents that children have strong desires which cannot always be gratified.

Children want to do what no one can allow them to do. Child demands, asks, craves and the parent denies. Naturally, there will be some tension and unhappiness as a result.

But this does not mean, by any means, that a child must be allowed to do just what he wants to do, even though to forbid it may cause him temporary grief.

There isn't a day that goes by that I don't feel that I'm being punished for what I've done and what is denied to him, for any number of reasons. He can grow up whiney, even if he satisfies some frustrations, if he parents see his world from his viewpoint and are willing to give him all possible freedom to act, when it is possible.

THEY'LL TRY IT

It has to be expected that while he is learning what is permissible and what is taboo, he will make plenty of mistakes. Children have a fine interest in all kinds of behavior.

Glenora Opening Tea Scheduled For Dec. 3

WHY GROW OLD

Makers of Cosmetics Improving Products

By Josephine Lowman

No wonder women are using more and more cosmetics because these products are getting better and better, not only in quality, but in convenience and beauty!

One internationally known creator of make-up and skin regimens has made surveys which brought out some interesting facts.

Did you know, for instance, that women use more than 500 different brands of hand lotion as there are of lipstick? Did you know that many women keep hand lotion in several convenient spots around the house?

There are two things which women have disliked especially about using cold cream. When they have well-cared for nails they have the way cold cream gets under the nails when they dip into the jar. Today you can purchase a night cream in stick form. You simply touch the stick to the face in several places and then smooth it over the face.

Fish-Pond Fun Ahead for All Who Attend Bazaar

Fish pond will be an attraction for youngsters at the Westminster United church WFA bazaar.

Plans have been completed to hold the annual bazaar on Nov. 20 from 2:30 to 5:30 p.m.

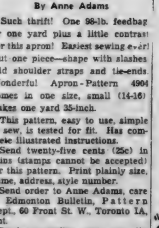

Official opening will be made by Rev. C. E. Rogers while Mrs. H. Skirrey and Mrs. Rogers will receive.

Presiding at the tea urns for the earlier part of the afternoon will be Mrs. W. Balaich and Mrs. W. Hollingsworth. Later Mrs. J. L. Anderson and Mrs. W. Davidson will take charge.

In charge of afternoon refreshments is Mrs. L. Dommery. Display of handwork, aprons, novelties, greeting cards, candy and home cooking will attract all eyes.

DOROTHY DIX SAYS

Most Homes Ruled by Wives Says Miss Dix

Considering that a man is legally and technically the head of the family and as most men are better educated and have had far more worldly experience than their wives, it is a strange thing that wives have so much more influence over their husbands than husbands have over their wives.

LOBA Lodges Join Forces for Meet To Honor Visitor

Provincial grand mistress, Mrs. O. Wilton, will speak to the joint meeting of three LOBA Lodges, Nov. 14. Members of Western Lodge, Queen of Alberta Lodge and Lady Strathcona Lodge will meet together at Buchanan church.

A recent meeting of the Western LOBA was attended by members of the Queen's Lodge and Lady Strathcona Lodge, Mrs. L. Donly presided.

Mrs. E. Westling and Mrs. T. Miluk were initiated in the Orange Degree. Welcomed into full membership were Mrs. G. Dain, Mrs. E. Barkley, Mrs. M. A. Brown, Mrs. A. D. Reind, Mrs. C. Hudson, Mrs. A. Gilmore and Miss J. Haughton.

Macdonald hotel will be the scene of the annual bazaar and dance today. Members and friends of the LOBA and LOB lodges will gather for the affair.

WOMEN NOT BRILLIANT

We could understand it if the women who make rubber stamps of their husbands were possessed of supernatural cleverness and cunning, or if the husbands were dumb and stupid or weaklings.

Edna Hudson Weds Hugh R. McLeod

Quiet wedding ceremony in Northwest United church was recently united in marriage Edna Marion Hudson, youngest daughter of Mr. and Mrs. O. Cole of Conquest, Sask., and Hugh Hudson McLeod, youngest son of the late Dr. and Mrs. J. H. McLeod of Penticton, Alberta.

Officiating clergyman was Rev. W. Rogers.

During the signing of the register, Mrs. Dave Pascoak sang "I'll Wait for You."

The bride was dressed in a grey wool crepe suit with navy blue accessories. She chose a corsage of yellow roses and dianthus.

Mistress of honor, Mrs. Clarence Hudson, sister of the bride, wore a brown suit with blending accessories.

Her corsage was of Tallman roses.

Clarence Hudson attended the groom as best man.

Following the ceremony, a wedding supper was held for the bride and groom at the Mandarin Gardens.

After a short honeymoon, Mr. and Mrs. McLeod will make their home in Jasper.

Mary MacDonell Chooses Elizabethan Bridal Gown

Regally gowned in white satin styled on Elizabethan lines, Mary Teresa MacDonell became the bride of Joseph Alexander Fraser in St. Anthony's Pro-Cathedral Saturday.

Bronze, yellow and white chrysanthemums formed an attractive background for the ceremony performed by Father Francis O'Hara in which the bride was given in marriage by her father.

She is the daughter of Mr. and Mrs. Donald D. MacDonell, and her husband the son of Mrs. Alexander Fraser and the late Mr. Fraser of Edmonton.

CARRIES GARDENIAS

Chantilly lace fashioned the fitted bodice of the bride's train-length gown featuring illuoyt sleeves and high pointed collar. Her finger tip veil was held by satin cap. Gardenias and ruscus cascaded to floor her bouquets.

Miss Jean MacDonell was her sister's maid of honor, gowned in gold satin with four pointed skirt and fitted jacket. Miss Betty Graham wore copper satin styled on similar lines. Both were matching caps and carried cascade bouquets of bronze and yellow chrysanthemums.

Beverly Ann MacDonell wore a

Joyce Passmore Becomes Bride

Lace-pannelled gown of white satin worn by Joyce Passmore when she pledged marriage vows with Bruce Douglas Patterson Friday.

Ceremony was performed by Rev. Frank Smith at Highlands United Church. Baskets of mauve, white and yellow chrysanthemums blanketed the altar.

Bride's gown was fashioned with a net yoke and shoulder ruffle of satin. A tiny lace cap held a frothy full-length veil in her head. She carried a cascade of red and white roses.

She is the daughter of Mr. and Mrs. William Passmore. Her husband is son of Mr. and Mrs. Guy Patterson.

Viola Christ, frocked in pale blue lace and net was the brides' attendant. She carried a colonial cluster of white and yellow button mums.

Best man was Ralph Patterson. Ushers were Frank Starrs and Steve Swerdy.

Catherine Lambie sang "I Love You Truly" during signing of the register.

Following the ceremony 30 guests received at the Macdonald hotel by Mrs. Passmore who chine a navy blue frock with navy blue and white accessories. For the occasion, her corsage was of red roses. Mrs. Patterson chose a Burgundy afternoon dress with black accessories and a corsage of cream roses for her son's wedding.

Usher of the bride, Norman Wellmore MIA of Edmonton proposed a toast honoring his niece.

Later Mr. and Mrs. Patterson left on a wedding trip to Banff and Calgary. For travelling, the bride changed to a navy blue dress with white and unadorned accessories. Her topcoat was of winter white.

WEDDING BELLS rang a joyful tune Friday for Joyce Passmore and Bruce Douglas Patterson. Ceremony took place at Highlands United Church for University of Alberta students.

Princess-Frocked Bride Wed In Choral Ceremony

To the music of the choir, Eileen Lorraine Silbards entered First Baptist Church on the arm of her father to become the bride of William Duncan McLeod.

Baskets of white chrysanthemums and pink carnations with tinted pom-pom grass formed setting for the early evening ceremony performed by Rev. Edgar Bailey and Rev. Wesley Bainbridge.

Bride is the daughter of Mr. and Mrs. F. W. Silbards and her husband is the son of Mr. and Mrs. Malcolm McLeod, all of Edmonton.

2 Junior Grain Clubs Hold Achievement Days

SIDGWICK, Nov. 6.—Two junior grain clubs in this territory have recently held successful achievement days, at each of which C. L. Usher, assistant supervisor of junior club activities in Alberta, judged the samples and talked on junior club activities.

Merna Thacher Wheat Club achievement day was held at the Merna School south of here. First prize was won by Edward Bider who threshed his sample on his mother's combining board. Raymond and David Lewis placed second and third, while Gerald and Mervin North captured fourth and fifth places with samples they had threshed by means of a fall.

Short talks were given by club leader A. Cameron, and by Mrs. Raymond Lewis, Orla Eidey, and Vern Simpson. Miss A. H. Brockel, Merna school principal, presented the prizes. The prizes were wheat flour supplied by the Alberta Wheat Pool and Alberta department of agriculture, principal sponsors of the club.

At the Strome Oil Barley Club achievement day, Arthur and Thomas Bohne placed first and second. Bruce Krooth third, and Harold Hauser and John Spohn fourth and fifth. Some wheat, shown by Principal W. Johnson, were given through courtesy of Strome board of trade, club sponsors.

Young People Enjoy Party

MAVERTHORPE, Nov. 6.—More than 40 people attended the West Paddle Young People's Halloween party recently.

Highlight of the evening was an event called "post mortem" which gave all present an opportunity to handle some of "poor Smith's remains," in the dark. His eyes, peeled grapes, brought forth the wildest screams.

Eight prizes were awarded for the best Halloween costumes worn by Mrs. C. Markie and Mr. and Mrs. Mervyn Gieson acting as judges.

Stella Gieson and Ted Clermy with the assistance of their leader, Rev. A. J. Norquay, were responsible for the program, and Violet Gieson, Ellen Hyatt and Rose Strickland arranged for the refreshments.

Red Deer Starts Civic Auditorium

\$40,000 Conversion Scheme Underway on School Grounds

RED DEER, Nov. 6.—Building permit for the \$40,000 conversion scheme to equip a 1,000 seat civic auditorium has been taken out by Red Deer and district Memorial Committee, and work is already proceeding on the grounds at the Com-

posite High School. Conveyancing is continuing in the drive to raise \$62,000 necessary to complete the scheme, with subscriptions to date totalling \$50,000. A concerted effort will be made during the next few days to try to collect the remaining \$12,000 necessary.

Completion of the new auditorium will fill an essential need in this city which is without an adequate hall. With the other permits covering \$56,960 issued last month, the total construction to Oct. 31 amounts to \$171,250.

Among the larger buildings included in this year's total are the new Post Office and addition to the Municipal Hospital, which combined will total a value of \$1,000 including furnishings.

Alberta Giant Oil Co. Limited, Alberta Corporation

Sponsored by a group of successful Edmonton Businessmen, invite the public to participate in the development of some of Alberta's potentially rich oil lands.

Alberta Giant Oil Co. Ltd. and their associates are interested in 800 acres in the Campbell Field in which they have one producing oil well and one commercial gas well.

They are interested in three offsets adjacent to the Richfield holdings on the North, and are also interested in 15 well sites adjacent to the Richfield holdings on the South, where the Richfield have a heavy producing well.

The Alberta Giant Oil Co. Ltd. expect to commence drilling in the near future on legal subdivision 2, Section 17, Range 18, Township 64, West of the 4th Meridian where the Company has large holdings.

They are also interested in a well that is now being drilled in the Excelsior Field.

A limited amount of Capital Stock, no par value is being offered to the public, price 35c per share. Prospectus and additional information will be furnished upon request.
